

# Health Department Rabies Vaccine

**Start Date: 2/18/2021 12:00 PM**

**End Date: 2/18/2021 1:30 PM**

Howard County Health Department, in cooperation with the Animal Control and Adoption Center sponsor monthly local vaccination clinics to protect your pet from the rabies virus.

Bring your dog, cat, or ferret for a discounted vaccination the 3rd Thursday of each month.

Location: 8576 Davis Road

Columbia, MD 21045

Time: Every 3rd Thursday

Between the hours of 12:00pm and 1:30pm

Cost: \$5.00 cash or check (Payable to "Director of Finance")

Instructions:

- All pets must be on a leash or in a carrier!
- Pets must be at least 3 months of age to receive a vaccination.
- Re-vaccinate animals by the 1 or 3 year vaccination expiration date.
- Please bring proof of any previous vaccinations. For cats and dogs you will need a copy of the previous rabies vaccine from your veterinarian. This will allow us to document a 3 year vaccination on your new certificate.

For more information, contact the Bureau of Environmental Health at (410) 313-1773 or the Howard County Animal Control and Adoption Center at (410) 313-2780
